

## Miscarriage Association's private 'Pregnant after Loss' Facebook group rules

This is the Miscarriage Association's private **Pregnant After Loss** Facebook group, set up specially for anyone who is pregnant after miscarriage, ectopic or molar pregnancy. It's a place to share your thoughts and to offer support, understanding and friendship to help each other through what can be a very anxious time.

We are a UK charity and we ask that you follow our group rules, to make this a safe and helpful space:

1. Please don't give medical advice or recommend particular treatments or clinics etc, though sharing your own experience is fine.
2. Please do make use of the resources on pregnancy after loss that we have on our [website](#).
3. If you want to share a picture, please describe or mention it in a post first and then include it in a comment, so people can choose whether to view it or not. The only permitted pictures in a main post are those posted by the Miscarriage Association or previously agreed to by one of the admins.
4. Please don't use this group to advertise, or to publicise other organisations for fundraising or campaigning without checking first with the admins (Penny, Nicola, Morag, Lisa, Ann, Lisa B, Juanita, Helen, Ruth, Sue, Melissa and Victoria).
5. If you are concerned about a post or the person posting, please report the matter to one of our admins – but be aware that they are not online 24/7.
6. We do monitor posts when we can and remove posts or members that break these rules or that might cause offence or distress. If you have any questions, please don't hesitate to call the office (01924 200799, 09.00 – 16.00 UK time).

Thank you.
